PRODUCT DESCRIPTION

- Need to connect a printer located across a room, office, or workspace without moving your equipment?
- This 10-meter USB printer cable provides an extended connection range, making it easy to place printers where they are most convenient.
- Ideal for offices, schools, reception areas, cyber cafés, and shared printing environments.
- Designed to deliver stable and reliable data transmission for everyday printing tasks.
- Durable construction supports long-term use in professional and home environments.
- Perfect for setups where standard printer cables are too short.

Best For

- Large office setups
- Shared network printing stations
- Schools and training centers
- Reception and service desks
- Long-distance printer installations
