PRODUCT DESCRIPTION

- Laptop missing multiple ports for display, internet, and accessories? This 11-in-1 hub gives you full connectivity in one device.
- Connect to HDMI or VGA display for presentations, dual display setups, or extended screens.
- Includes high-speed LAN (1000Mbps) for stable wired internet connection.
- Multiple USB 3.0 ports allow connection of flash drives, keyboard, mouse, and more.
- Built-in SD card reader and audio port make it perfect for creators and professionals.
- Requires USB-C port with display support (not all devices support video output).

☐ Best For

- Professionals needing full port expansion
- Office work, presentations, and multimedia setups
