PRODUCT DESCRIPTION

- Got stuck with a flat tyre and no quick solution on the road? This portable inflator saves you time and stress anywhere.
- Easily inflate car tyres, bike tyres, and even sports equipment using your car's 12V socket.
- Built-in pressure gauge helps you monitor and avoid over-inflation for safety.
- Integrated LED light makes it perfect for night emergencies or low-light situations.
- Compact and portable design makes it easy to store in your car at all times.
- Best for emergency and light use, not designed for heavy-duty continuous inflation.

- ▢ Best For
- Car owners and drivers for emergency tyre inflation
 - Motorbike, bicycle users and home light inflation needs
