PRODUCT DESCRIPTION

- Looking for one pair of glasses that can support your digital lifestyle, night movement, and outdoor style? These 3-in-1 glasses are designed for men who want one practical eyewear option for screen use, night driving, and sunny outdoor environments.
- Comes with Anti-Blue Light support for users who spend time on phones, computers, tablets, TVs, and other digital screens.
- Night Vision lens support helps reduce harsh glare from lights during night driving or night movement, giving a more comfortable viewing experience.
- Sunglasses mode helps reduce strong sunlight exposure during outdoor use, travel, walking, driving, and daily style.
- Stylish men's design makes it suitable for casual wear, office movement, driving, travel, business use, and everyday dressing.
- Miwani moja, matumizi matatu — anti-blue light, night vision, and sunglasses.
- ☐ Mchongo huu si wa kukosa
- ⚠ Important: These glasses help reduce glare and screen-light discomfort, but they are not medical glasses and do not replace prescription eyewear.
- ⚠ For night driving, always make sure visibility remains clear and safe before use.
- ☐ Advantage: Anti-blue light + night vision + sunglasses function = practical 3-in-1 eyewear for daily use, driving, screens, and outdoor style.
- ☐ Best For
 - ☐ Men / Wanaume
 - ☐ Computer & Phone Users
 - ☐ Night Driving
 - * Outdoor Sunlight Use
 - ☐ Office & Business Movement
