PRODUCT DESCRIPTION

- Struggling with unstable WiFi or slow internet during work, gaming, or streaming?
- This 3-meter Ethernet cable provides a stable wired connection for faster and more reliable internet performance.
- Ideal for users who want consistent speed without interruptions caused by weak wireless signals.
- Perfect for connecting routers, PCs, gaming consoles, and network switches at short to medium distance.
- Designed to reduce latency and improve overall network stability for daily use.
- Limitation: Final speed still depends on your internet service provider package.

☐ Best For

- Home internet stability improvement
- Office network connections
- Gaming setups (low latency use)
- Streaming and downloads
- Router to device connections
