PRODUCT DESCRIPTION

- Need to connect a printer located far from your computer without relocating your equipment?
- This 5-meter USB printer cable provides extended reach while maintaining a reliable connection for everyday printing tasks.
- Ideal for offices, schools, businesses, and workstations where printers are shared across multiple desks.
- Supports stable data transmission for smooth communication between your computer and printer.
- Durable construction is designed for regular professional and home use.
- Best suited for long-distance printer setups that require extra flexibility.

Best For

- Office and business environments
- Shared printer workstations
- Schools and training centers
- Long-distance printer connections
- Home office setups
