PRODUCT DESCRIPTION

- Concerned about viruses, ransomware, phishing, and online threats affecting multiple devices?
- Kaspersky Plus provides advanced internet security to help protect your data, privacy, and online activities across multiple devices.
- Designed for families, professionals, and small businesses that need stronger protection than basic antivirus software.
- Includes real-time threat detection, anti-phishing protection, firewall features, and enhanced privacy tools.
- Helps secure online banking, shopping, browsing, and everyday internet use.
- Ideal for users looking for comprehensive security coverage for up to 5 devices for one full year.

Best For

- Families with multiple devices
- Small offices and businesses
- Secure online banking and payments
- Privacy-conscious users
- Multi-device cybersecurity protection
