KEY FEATURES

- AVR Voltage Protection
- Business Ready
- Device Protection
- Home Use
- Power Backup
- Extended Backup Time

PRODUCT DESCRIPTION

- Want longer backup time and stronger protection for your devices during power cuts? The APC Easy UPS BV1000I is built for higher demand setups.
- 1000VA capacity provides extended backup compared to smaller UPS, allowing you to keep more devices running longer.
- Ideal for computers, routers, POS systems, printers, and small office equipment.
- Automatic Voltage Regulation (AVR) stabilizes power fluctuations, protecting your devices from surges and drops.
- Instant backup ensures you can continue working or safely shut down your systems without data loss.
- Reliable APC technology guarantees long-term protection and consistent performance.
- Compact and durable design fits easily in home and office environments.
- ⚠ Not suitable for heavy appliances (like fridges or industrial machines).
- ☑ Advantage: Higher capacity + longer backup = better protection and more device support.
- ☑ Best For
 - ☑ Desktop Computers & Workstations
 - ☑ Routers & Networking Devices
 - ☑ Printers & POS Systems
 - ☑ Offices & Businesses
 - ☑ Home Office Setup
