PRODUCT DESCRIPTION

The Dell Latitude 5285 is a versatile and powerful 2-in-1 business laptop built for productivity, flexibility, and mobility. Powered by an Intel Core i5 7th Generation processor with 8GB RAM and fast 256GB SSD storage, it delivers smooth performance for multitasking, office work, online meetings, and everyday computing.

The 12-inch touchscreen display provides sharp visuals and responsive touch interaction, allowing you to switch بسهولة between laptop and tablet modes. Its detachable keyboard design makes it ideal for professionals, students, and business users who need both portability and functionality.

Whether you are working in the office, studying, or on the move, the Dell Latitude 5285 offers reliable performance, compact design, and professional-grade efficiency.
