PRODUCT DESCRIPTION

- Want a printer you can use directly from your phone or laptop without cables? The Epson EcoTank L3250 gives you wireless printing with low cost per page.
- All-in-One functionality allows you to print, scan, and copy — perfect for home, office, school, and business use.
- Built-in WiFi lets you print directly from your phone, laptop, or tablet — no need for USB connection every time.
- EcoTank ink system delivers ultra-low printing cost compared to cartridge printers — print thousands of pages while saving money.
- High-quality printing produces sharp documents and clear images for assignments, office work, and business use.
- Compact and modern design fits easily into any workspace.
- Easy refill ink system makes maintenance simple and clean.
- ⚠ Not designed for heavy industrial printing — best for daily home, office, and small business use.
- 📱 Advantage: Wireless printing + low ink cost = maximum convenience and long-term savings.
