PRODUCT DESCRIPTION

- Need a power bank that can keep your phone, earbuds, smartwatch, or small USB devices charged when you are outside, travelling, at school, at work, or during power cuts? This Excellent 20000mAh Power Bank gives you a strong backup charging option for daily use.
 - 20000mAh capacity makes it suitable for users who need more battery backup than small pocket power banks.
 - Comes with 3 ports, allowing more flexible charging options depending on your cable and device compatibility.
 - Supports fast charging through Quick Charge technology on compatible phones, cables, and charging ports.
 - Wireless charging support makes it useful for compatible phones that support wireless charging.
 - Multicolor finish gives it a modern look for personal, travel, office, student, and business use.
 - Useful for phone users, travellers, students, drivers, office workers, shop owners, and anyone who needs backup power during the day.
 - 📱 Mchongo huu si wa kukosa
 - ⚠ Important: Fast charging and wireless charging depend on your phone, cable, charging port, and power bank compatibility.
 - ⚠ Water protection should be treated as basic splash resistance only unless the product packaging confirms an official waterproof rating. Do not intentionally dip it in water.
 - 📱 Advantage: 20000mAh capacity + wireless charging + fast charge support + 3 ports = reliable backup power for daily mobile use.
- 📱 Best For
- 📱 Phone Charging
 - 📱 Earbuds / Small Gadgets
 - 📱 Travel & Daily Carry
 - 📱 Students / Wanachuo
