PRODUCT DESCRIPTION

- Need a strong business laptop that gives you smooth performance, durability, and better value than many Intel options? The HP EliteBook 645 G9 with Ryzen 5 Pro is built for serious daily productivity.
- Powered by AMD Ryzen 5 Pro 5675 processor with speed up to 4.30GHz, it delivers fast and efficient performance for office work, multitasking, business applications, browsing, and professional use.
- 16GB RAM gives you stronger multitasking power — perfect for users who open many tabs, documents, apps, and work tools at the same time.
- 256GB SSD ensures fast startup, quick file access, and responsive performance for everyday work.
- 14-inch display gives a comfortable workspace while keeping the laptop portable and easy to carry.
- EliteBook business-class build gives it a professional look, strong durability, and reliable performance for long-term use.
- Long battery performance makes it suitable for office, school, meetings, and movement without charging all the time.
- ⚠ Not built for heavy gaming or advanced graphics work — best for business, productivity, programming, study, and professional tasks.
- 📦 Advantage: Ryzen 5 Pro + 16GB RAM + EliteBook durability = powerful business performance at a strong value.
