PRODUCT DESCRIPTION

- Need a modern, slim laptop for school, office work, online meetings, and daily productivity? The HP Laptop 14s-dq5xxx gives you reliable performance in a clean portable design.
- Powered by Intel Core i3 12th Generation processor, it delivers smooth performance for browsing, documents, online classes, office work, emails, and everyday multitasking.
- 8GB RAM gives stable performance for daily use, while the 256GB SSD ensures fast startup, quick file access, and responsive operation.
- 14-inch anti-glare display helps reduce reflections, making it more comfortable for long study or work sessions.
- Slim and lightweight design makes it easy to carry to school, office, meetings, or travel.
- Intel UHD Graphics supports clear visuals for normal use, video streaming, online meetings, and light creative tasks.
- HD webcam, dual speakers, WiFi, and Bluetooth make it ready for online classes, Zoom meetings, and remote work.
- ⚠️ Not designed for heavy gaming, advanced graphics work, or demanding editing software — best for study, office work, browsing, and daily productivity.
- 📁 Advantage: 12th Gen Core i3 + SSD + slim design = smart modern laptop for students and office users.
