PRODUCT DESCRIPTION

• Want a premium laptop that gives you power, touchscreen flexibility, and a large display for serious productivity? The HP OmniBook X Flip 360 is built for users who want performance and style in one machine.

• Powered by Intel Ultra 7 14th Generation processor, it delivers fast and efficient performance for multitasking, office work, creative tasks, programming, and demanding daily use.

• 16GB RAM gives you smooth multitasking even when running multiple apps, browser tabs, documents, and business tools at the same time.

• 1TB SSD provides fast startup, quick file access, and huge storage space for documents, projects, videos, photos, and software.

• 16-inch touchscreen display with 1920 × 1200 resolution gives you a sharp, spacious, and comfortable viewing experience for work, study, and entertainment.

• 360° flip design allows you to use it as a laptop, tablet, tent, or presentation device — perfect for meetings, note-taking, and flexible work.

• Poly Studio audio and camera experience improves video calls, online meetings, and remote work communication.

• Premium black finish gives it a clean, modern, and executive look.

• ⚠ This is not a gaming laptop — it is built for premium productivity, business, creative work, multitasking, and professional use.

• 📦 Advantage: Ultra 7 + 16GB RAM + 1TB SSD + touchscreen x360 design = powerful premium flexibility for serious users.

📦 Best For

• 📦 Business Professionals & Executives

• 📦 Developers / Programmers

• 📦 University Students

• 📦 Creative Work & Presentations

• 📦 Remote Work & Online Meetings

• 📦 Heavy Multitasking & Productivity
