PRODUCT DESCRIPTION

- Need a reliable business laptop that is easy to carry and performs well every day? The HP ProBook 440 G10 is built for professionals who want performance without complications.
- Powered by Intel Core i5 13th Generation processor, it delivers smooth and stable performance for office work, multitasking, and daily productivity.
- 8GB RAM and fast 512GB SSD ensure quick startup, efficient multitasking, and reliable storage for your files and applications.
- 14-inch display offers the perfect balance between portability and workspace, making it ideal for working on the move.
- Slim and lightweight design makes it easy to carry between office, home, and meetings.
- Professional ProBook design gives a clean, executive look suitable for business environments.
- Built for durability and long-term use in professional settings.
- ⚠ Comes with DOS (no Windows installed) — OS installation required before use.
- 📁 Advantage: Core i5 performance + portable design = reliable everyday business laptop.

📁 Best For

- 📁 Business Professionals
- 📁 Office Work & Productivity
- 📁 University Students
- 📁 Light Programming
- ➔ Mobile Work & Travel
