PRODUCT DESCRIPTION

- Need a slim business laptop that is powerful enough for serious office work but still easy to carry? The HP ProBook 630 G9 is built for professionals, students, and business users who need reliable daily performance.
- Powered by Intel Core i5 12th Generation processor, it delivers fast and efficient performance for office work, browsing, online meetings, business applications, and multitasking.
- 8GB RAM gives stable performance for everyday productivity, while the 256GB SSD ensures quick startup, fast file access, and smooth system response.
- 13.3-inch display makes it compact and portable — perfect for users who move between office, school, meetings, and home.
- ProBook business-class design gives it a professional look with better durability than basic consumer laptops.
- Ideal for users who want a modern, brand-new business laptop without jumping into expensive premium models.
- ⚠ Not designed for gaming or heavy graphics work — best for business, study, browsing, online meetings, and productivity.
- 📦 Advantage: 12th Gen Core i5 + slim ProBook design + SSD performance = modern business laptop with strong value.
