PRODUCT DESCRIPTION

- Need a reliable laptop for online learning, office work, browsing, and everyday productivity without spending too much?
- The HP ProBook x360 11 G5 EE is designed for students, teachers, and professionals who need a durable and portable device for daily tasks.
- Its 360° convertible touchscreen design allows you to use it as a laptop, tablet, tent, or presentation device.
- Equipped with an SSD for faster startup times and smoother performance than traditional hard drives.
- Compact 11.6-inch Full HD display makes it easy to carry while maintaining clear visuals.
- Best suited for office applications, internet use, online classes, and business tasks rather than heavy gaming or advanced video editing.

📁 Best For

- Students and online learning
- Office and business work
- Web browsing and research
- Presentations and meetings
- Portable everyday computing
