PRODUCT DESCRIPTION

- Want a powerful desktop that keeps your workspace clean, modern, and professional? The HP ProOne 440 G9 All-in-One delivers performance and style in one device.
- Powered by Intel Core i7 13th Gen with 8GB RAM and fast 512GB SSD, it handles office work, multitasking, business applications, and demanding tasks smoothly.
- 24-inch large display provides a comfortable and clear workspace for productivity, presentations, and everyday use.
- All-in-One design means no bulky CPU — fewer cables, cleaner desk, and more organized workspace.
- Modern black finish gives a professional look perfect for offices, reception areas, and executive setups.
- Built for reliability and long-term use in business environments.
- ⚠ Comes with DOS (no pre-installed Windows) — OS installation required before use.
- 📦 Advantage: Latest 13th Gen performance + large display + clean setup = powerful and professional workstation.
