PRODUCT DESCRIPTION

- Tired of slow document scanning and piles of paperwork? The HP ScanJet Pro 3600 f1 is built to help offices scan, organize, and digitize documents faster.
- Designed for business environments, it supports efficient document scanning for reports, forms, invoices, contracts, and office records.
- Duplex scanning helps capture both sides of documents, saving time compared to manual single-side scanning.
- Automatic Document Feeder allows you to scan multiple pages faster, making it ideal for busy offices and admin departments.
- Produces clear digital copies for storage, sharing, archiving, and professional document management.
- Compact desktop design fits easily into offices without taking too much space.
- **Scanner only** — no printing or copying functions.
- **Advantage:** Duplex scanning + ADF + fast document workflow = better office productivity and cleaner document management.

Best For
