PRODUCT DESCRIPTION

- Need fast charging for multiple devices while driving? This LDNIO dual USB-C car charger delivers high-speed power on the go
- Total 60W output with two USB-C ports — each supports up to 30W fast charging
- PD + PPS technology ensures efficient and stable charging for smartphones, tablets, and some USB-C devices
- Charge two devices at the same time without slowing down performance
- Compact design fits neatly into your car socket without clutter
- Ideal for long drives, travel, and daily commuting
- 1-meter cable support makes it convenient for use inside the car
- Reliable and safe charging with built-in protection features
- Limitation: Charging speed depends on device compatibility and cable used
