PRODUCT DESCRIPTION

- Need a compact and reliable power solution for your desk or travel? This LDNIO SC2413 gives you both power outlets and fast USB charging in one unit
- 2 AC outlets allow you to connect essential devices like laptops, chargers, and small appliances
- Built-in USB ports with QC3.0 and 20W Type-C PD support fast charging for smartphones and gadgets
- Smart power distribution ensures safe and stable charging for all connected devices
- Portable cube design saves space and is easy to carry for travel or office use
- Supports a wide voltage range (100–250V), making it suitable for different environments
- Ideal for reducing cable clutter on desks or small workspaces
- Durable and compact build for everyday use
- Limitation: Only 2 AC outlets — suitable for light setups, not heavy multi-device environments
