PRODUCT DESCRIPTION

- Want a laptop that stays smooth even when you open many apps at once? The Lenovo IdeaPad 16GB version is built for better multitasking and comfort.
- Powered by Intel Core i5 13th Generation processor, it delivers fast and stable performance for office work, business tasks, and everyday productivity.
- 16GB RAM allows you to run multiple applications without lag — perfect for serious users.
- 512GB SSD ensures quick startup, fast file access, and reliable storage.
- Large 15.6-inch display gives you more working space, making it comfortable for documents, browsing, and long work sessions.
- Slim and modern design suitable for both office and personal use.
- Ideal for users who want more performance than standard 8GB laptops.
- ⚠ Comes with DOS (no Windows installed) — OS installation required before use.
- 📁 Advantage: 16GB RAM + large display = smoother multitasking and better working experience.
