PRODUCT DESCRIPTION

- Need a short HDMI adapter for tight spaces behind a TV, camera, game console, TV stick, or monitor? This Mini HDMI to HDMI Female Extension Cable gives you a compact 15cm connection with flexible 90-degree angle options.
- Designed for devices with Mini HDMI output that need to connect to a standard HDMI cable or HDMI display setup.
- Available in right-angle and left-angle options, making it easier to route cables neatly without stressing the device port.
- Supports 4K and 2K video output up to 60Hz on compatible devices, making it useful for cameras, TV boxes, gaming consoles, laptops, monitors, and media devices.
- Short 15cm cable design helps reduce clutter and makes installation cleaner in tight spaces.
- Built with shielding protection to help reduce signal interference and support stable video transmission.
- Supports HDMI 2.0, HDCP, and 3D display on compatible devices.
- ⚠ Important: This is Mini HDMI, not Micro HDMI. Please confirm your device port before buying.
- ☐ Advantage: Mini HDMI connection + HDMI female extension + 90-degree right/left options = clean setup for cameras, gaming devices, TV boxes, and tight spaces.
- ☐ Best For
 - ☐ Cameras with Mini HDMI
 - ☐ TV Box / TV Stick Setup
 - ☐ PS4 / PS5 / Xbox / Nintendo Switch Setup
