PRODUCT DESCRIPTION

• Need a compact keyboard that works across both Mac and PC? The K-1000 Mini Keyboard offers simple, flexible typing for everyday use
• Designed for compatibility with both Mac and Windows systems — easy switching between devices
• Compact size saves desk space and fits perfectly in small workstations or portable setups
• Plug-and-play connection allows quick setup without drivers
• Smooth and responsive keys make it suitable for basic typing, office work, and browsing
• Lightweight and easy to carry for travel or mobile work environments
• Clean black design blends well with any office or home setup
• Limitation: Not ideal for heavy typing or users who prefer full-size keyboards

ADDITIONAL SPECIFICATIONS
