PRODUCT DESCRIPTION

- Is your laptop overheating during long use or gaming sessions? This cooling stand helps improve airflow and reduce heat buildup.
- Built-in mini cooling fan helps maintain better laptop temperature for smoother performance.
- Ergonomic stand design improves typing comfort and viewing angle during work or study.
- Lightweight and portable, making it easy to use at home, office, or while traveling.
- Note: Cooling performance may vary depending on laptop size and ventilation design.

Best For

- Laptop cooling and heat reduction
- Students, office users, and everyday laptop use
