PRODUCT DESCRIPTION

- Want true wireless earbuds that last all day without constant charging? The Oraimo FreePods 3C are built for long listening and everyday convenience
- Enjoy up to 8 hours of playtime on a single charge, plus an extra 28 hours with the charging case — perfect for travel, work, and daily use
- Designed with a comfortable in-ear / half in-ear fit, giving you flexibility between secure fit and breathable comfort
- Powered by Bluetooth 5.3 for stable connection, faster pairing, and smooth audio streaming with minimal interruptions
- Delivers clear sound with balanced audio, making it ideal for music, calls, and video content
- Compact and lightweight design makes them easy to carry in your pocket or bag wherever you go
- Not built for deep bass lovers or high-end studio sound — best suited for casual listening and everyday use
- A strong mid-range choice for users who want wireless freedom, long battery life, and reliable performance

Always Be Ready

Charge 10 Minutes, Play 140 Minutes

Charge earbuds in the case for 10 minutes and take them out to play for 140 minutes. You can long handle into actions at the last minute before commuting or exercise.

140 Minutes = 10 Minutes

Mchongotz Eshop

One Pair, Two Different Fits

In-ear & Half-In-ear Dual Modes

FreePods 3C is equipped with detachable earbuds offering two modes of listening. When the earbuds are fully inserted, the IPX5 HiBNC++ blocks out external noise and reduces sound leakage for a more enhanced bass experience. Alternatively, the earbuds can be removed for the more comfortable fit, always by your control and for awareness of the user's surroundings.
