PRODUCT DESCRIPTION

- Need wireless earbuds that can last for days without constant charging? The Oraimo FreePods Neo are built for long-lasting performance and daily comfort
- Enjoy up to 50 hours of total playtime, making them ideal for extended use, travel, and busy schedules without worrying about battery
- Equipped with 6 microphones (3 per earbud) to deliver clearer voice pickup during calls, even in noisy environments
- Large 12.4mm drivers provide rich and balanced sound, giving you a more enjoyable music and media experience
- Bluetooth 5.3 ensures fast pairing, stable connection, and smooth audio streaming within a 10m range
- Designed for comfort with a secure, ergonomic fit suitable for long listening sessions without discomfort
- IPX4 water resistance helps protect against sweat and light splashes, making them reliable for everyday movement
- Not designed for studio-level audio or heavy bass demands — best for daily listening, calls, and convenience
- Excellent value for users who want long battery life, clear calls, and reliable wireless performance
