PRODUCT DESCRIPTION

- Missing a headphone jack on your phone? This Oraimo Type-C audio adapter lets you use your 3.5mm earphones easily
- Converts USB Type-C port to 3.5mm audio jack for headphones and speakers
- High-quality audio output with 24bit/48KHz sample rate for clear and stable sound
- Compact 160mm cable design makes it portable and easy to carry
- Plug-and-play — no installation required, just connect and listen
- Durable cable build for daily use without quick damage
- Ideal for music, calls, and everyday audio use
- Limitation: Only works with devices that support audio output via Type-C
