PRODUCT DESCRIPTION

- Have an old laptop hard drive or SSD sitting unused? Turn it into a portable external drive in minutes.
- This ORICO USB-C 3.1 enclosure allows you to convert a 2.5-inch SATA HDD or SSD into a high-speed external storage device.
- USB 3.1 Type-C connectivity provides fast data transfer for backups, file sharing, and portable storage.
- Tool-free installation makes drive installation quick and easy without requiring additional tools.
- Lightweight and compact design makes it ideal for carrying your data wherever you go.
- Compatible with standard 2.5-inch SATA SSDs and HDDs (7mm and 9.5mm thickness).

Best For

- Converting internal drives to external storage
- SSD and HDD upgrades
- Data backup and recovery
- Portable file storage
- IT technicians and computer users
