PRODUCT DESCRIPTION

- Are your Ethernet cable clips breaking or getting damaged easily? These snagless boot covers protect your connectors and extend cable life.
- Designed to prevent the RJ45 clip from bending or snapping during installation or daily use.
- Helps maintain stable network connections by protecting the cable head from dust and physical damage.
- Ideal for organizing and maintaining professional-looking networking setups.
- Note: This is a protective cover only — requires existing Ethernet cable and connector.

Best For

- Network cable protection and organization
- Technicians, offices, and home networking setups
