PRODUCT DESCRIPTION

- Need a premium slim laptop that is powerful, lightweight, and easy to carry every day? The Samsung 900X3T is built for users who want performance without carrying a bulky machine.
- Powered by Intel Core i7 8th Generation processor with speed up to 4.0GHz, it handles office work, browsing, online meetings, documents, and daily multitasking smoothly.
- 8GB RAM gives stable performance for daily productivity, while the 512GB SSD provides fast startup, quick file access, and enough storage for work files, apps, and documents.
- 13.3-inch display gives a compact and comfortable workspace while keeping the laptop highly portable.
- Very slim and lightweight design makes it perfect for travel, school, office, meetings, and mobile work.
- Backlit keyboard allows comfortable typing even at night or in low-light environments.
- Long battery performance of up to 9.5 hours makes it suitable for users who need a laptop that can stay with them through the day.
- ⚠ Not designed for gaming or heavy graphics work — best for business, study, office work, browsing, and productivity.
- 📦 Advantage: Core i7 + 512GB SSD + ultra-slim Samsung design = premium portability with strong everyday performance.
