PRODUCT DESCRIPTION

- Running out of space when recording videos or capturing high-quality photos? This 256GB high-speed SD card gives you massive storage and reliable performance.
- Designed for professionals and content creators who need smooth 4K UHD recording and fast burst photography.
- High-speed performance reduces waiting time when transferring large files to your computer.
- Built for durability, making it suitable for outdoor shoots and demanding environments.
- Note: To achieve maximum speeds, your device must support UHS-I high-speed performance.

☐ Best For

- 4K video recording and professional photography
- Cameras, drones, and high-performance media devices
