## PRODUCT DESCRIPTION

- Need a premium flash drive that is fast, strong, and professional-looking? The SanDisk Ultra Luxe 128GB USB 3.1 gives you reliable storage with a full metal design.
- 128GB capacity gives enough space for documents, photos, videos, music, software files, and backups.
- USB 3.1 performance with read speed up to 150MB/s helps transfer files faster than normal USB 2.0 flash drives.
- Full metal body gives better durability and a premium feel, making it suitable for business users, students, and daily file transfer.
- SanDisk SecureAccess password protection software helps protect private files and sensitive documents.
- Integrated keyring loop makes it easy to carry on keys, bags, or office accessories.
- Plug-and-play design works with computers, TVs, car audio systems, and other compatible USB-A devices.
- ⚠ This is a USB-A flash drive, not USB-C. Check your device port before buying.
- ☐ Advantage: 128GB storage + 150MB/s speed + metal body = fast, durable, and professional everyday storage.
