## PRODUCT DESCRIPTION

- Need a premium business laptop that is flexible, powerful, and built for serious productivity? This ThinkPad X13 Yoga delivers performance and versatility in one device
- Powered by Intel Core i5 10th Gen (up to 4.9GHz), it handles multitasking, office software, and professional workloads smoothly
- 16GB DDR4 RAM ensures fast and stable performance even with multiple applications open at once
- 256GB SSD gives you fast boot times, quick file access, and reliable storage for work files
- x360 convertible design with touchscreen and pen support lets you switch between laptop and tablet mode for meetings, presentations, and note-taking
- 13-inch display offers a perfect balance of portability and workspace for professionals on the move
- Built-in camera supports video calls, online meetings, and remote work setups
- Strong battery life supports extended work sessions without frequent charging
- ThinkPad build quality ensures durability, professional look, and long-term reliability
- Refurbished (clean, excellent condition) — premium business laptop at a much lower price
- Limitation: Not intended for heavy gaming or advanced graphics-intensive tasks

## ADDITIONAL SPECIFICATIONS

- Design: x360 Convertible (Laptop + Tablet Modes)
- Display: Touchscreen with Pen Support
- Camera: Built-in Webcam
- Battery: Long Life Battery Performance
- Build Quality: ThinkPad Durable Business Design

- Usage Type: Professional & Business Productivity
- Performance Level: Mid-Range to High Productivity
