PRODUCT DESCRIPTION

- Need faster network speeds for your office or home setup? This TP-Link 5-port Gigabit switch delivers reliable high-speed connectivity
- 5× 10/100/1000Mbps ports allow you to connect multiple devices with full Gigabit speed for faster data transfer
- Perfect for linking computers, printers, servers, and routers without slowing down your network
- Auto-Negotiation and Auto-MDI/MDIX remove the need for special cables — simple plug-and-play setup
- IEEE 802.3X flow control ensures stable and smooth data transmission
- Green Ethernet technology reduces power consumption for energy-efficient operation
- Fanless design provides completely silent performance — ideal for offices and home environments
- Compact design supports desktop placement or wall mounting for flexible installation
- Limitation: Basic unmanaged switch — no advanced network control features

ADDITIONAL SPECIFICATIONS

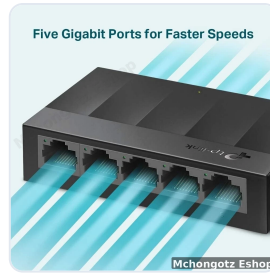

- Product Type: Desktop Network Switch
- Model: LS1005
- Ports: 5× 10/100/1000Mbps (Gigabit) RJ45
- Port Features: Auto-Negotiation + Auto-MDI/MDIX
- Network Standard: IEEE 802.3X Flow Control
- Technology: Green Ethernet (Power Saving)
- Design: Plastic Casing, Desktop or Wall-Mount
- Cooling: Fanless (Silent Operation)
- Installation: Plug & Play (No Configuration Required)
- Usage Type: High-Speed Network Expansion
