PRODUCT DESCRIPTION

- Need one charger that can power your phone and even a laptop fast and safely? This LDNIO 45W charger delivers reliable high-speed charging
- 45W fast charging output supports smartphones, tablets, and some USB-C laptops
- Dual port design (USB-A + USB-C) lets you charge two devices at the same time
- Supports PD, QC4+, and QC3.0 for wide compatibility with modern devices
- Smart chip technology protects against overcharging, overheating, and short circuits
- Comes with cables for both Lightning (iPhone) and Type-C devices — ready to use out of the box
- Compact wall charger design makes it ideal for home, office, or travel use
- Strong and stable power delivery ensures consistent performance
- Limitation: Full 45W output depends on compatible devices and cable used
