PRODUCT DESCRIPTION

- Need a short, powerful USB-C cable for fast charging, fast data transfer, and high-resolution display output? This USB4 Type-C to Type-C Cable is built for users who need serious performance in a compact size.
- Supports 240W Power Delivery with 5A fast charging, making it suitable for compatible USB-C laptops, tablets, smartphones, docking stations, and chargers.
- USB4 performance supports data transfer speeds up to 40Gbps, helping move large files, videos, backups, and professional data faster on compatible devices.
- Supports video output up to 8K @60Hz, making it useful for compatible monitors, docking stations, Thunderbolt setups, and professional display environments.
- Short cable design, approximately 0.14M / 14cm, helps reduce cable clutter and keeps your workspace clean.
- Compatible with USB4, Thunderbolt 4, and Thunderbolt 3 supported devices, depending on device specifications.
- Aluminum shell and flat flexible design provide a premium feel and better durability for daily use.
- Designed for home offices, studios, workstations, travel setups, and cable-management-focused users.
- ⚠ Important: 240W charging, 40Gbps speed, and 8K video require compatible devices, chargers, ports, and monitors. Actual performance depends on your equipment.
- 📌 Advantage: 240W charging + 40Gbps data + 8K display support + short compact design = premium cable for modern USB-C setups.
