PRODUCT DESCRIPTION

- Experiencing slow or unstable internet at home or office? This router provides reliable broadband connectivity for daily use.
- Supports stable internet distribution for multiple devices through WiFi and Ethernet connections.
- Comes with original box, power adapter, and Ethernet cable — ready to use immediately.
- Ideal for home or small office networking needs with consistent performance.
- Clean second-hand unit in very good condition, offering value at a lower cost.
- Not suitable for high-end enterprise networking or heavy advanced configurations.

☐ Best For

- Home internet users and small offices
- Basic browsing, streaming, and multiple device connectivity
